

CV

ANNA OLIVIERI, PhD

- **PLACE AND DATE OF BIRTH**

Castel San Giovanni (PC), July 5th 1980.

- **EDUCATION**

January 22, 2009: Ph.D. degree in Genetic and Biomolecular Sciences, University of Pavia, Italy.

January 21, 2005: Master (*Laurea*) with honors in Biological Sciences (5 years - MS equivalent), University of Pavia, Italy.

- **CURRENT POSITION**

January 01, 2018 - present: Associate Professor in Genetics (SSD BIO/18), Department of Biology and Biotechnology "L. Spallanzani", University of Pavia.

- **PREVIOUS POSITIONS**

December 30, 2013 – December 31, 2017: Assistant Professor (Senior Research contract, RTDb) in Genetics (SSD BIO/18), Department of Biology and Biotechnology "L. Spallanzani", University of Pavia.

December 01 – 29, 2013: Assistant Professor (three-year Junior Research contract RTDa) in Genetics (SSD BIO/18) at the University of Pavia – as coordinator of a project "FIRB Futuro in Ricerca - 2012". This contract was interrupted one month later to start a new contract as Assistant Professor RTDb.

December 01, 2010 – November 30, 2013: Assistant Professor (three-year Research contract) RTD (Legge Moratti, equivalent to a RTDa) in Genetics (SSD BIO/18) at the University of Pavia - as coordinator of a project "FIRB Futuro in Ricerca - 2008".

November 2009 – November 2010: Postdoctoral Scholar "Dottori di ricerca e mondo del lavoro", Department of Biology and Biotechnology "L. Spallanzani", University of Pavia – in collaboration with the Sorenson Molecular Genealogy Foundation, Utah (USA). Project title: "Searching for the Neolithic branches of the human mitochondrial DNA tree".

June 2009: Fellowship from the Italian L'OREAL-UNESCO award "for women in science".

November 2008 – May 2009: Postdoctoral Scholar, Department of Biology and Biotechnology "L. Spallanzani", University of Pavia.

November 2007 – February 2008: "Short Term Fellowship" from EMBO (European Molecular Biology Organization) for a 90-day visit at the Estonian Biocentre of the University of Tartu (Estonia) in the lab directed by Prof. Richard Villems.

November 2005 – October 2008: Ph.D. student in Genetic and Biomolecular Sciences, Department of Biology and Biotechnology "L. Spallanzani", University of Pavia.

April 2005 – October 2005: Scholarship at the University of Pavia.

- **FELLOWSHIPS**

November 2007 – February 2008: "Short Term Fellowship" from EMBO (European Molecular Biology Organization) for a 90-day visit at the Estonian Biocentre of the University of Tartu (Estonia) in the lab directed by Prof. Richard Villems.

- **HONORS AND AWARDS**

April 2017: She acquired the national scientific qualification (ASN) to become Associate Professor in Genetics (SSD BIO/18).

October 21 – 22, 2013: Invited Speaker at the “13° Settimana della Lingua Italiana nel Mondo 2013”, under the Alto Patronato del Signor Presidente della Repubblica. Istituto Italiano di Cultura, Rabat, Morocco and Teatro Italia, Casablanca, Morocco. Title: “Ricerca e scoperta declinate al femminile”. http://www.iicrabat.esteri.it/iic_rabat/it/gli_eventi/calendario/2013/10/xiii-settimana-della-lingua-italiana-nel-mondo.

November 21, 2011: Invited Speaker at the University of Pavia, "Ciclo di incontri Ricerca a Pavia: Successi Recenti". Title: Il DNA racconta la storia antica dell’Uomo.

September 09, 2011: Selected to be listed in the yearbook “Young Brains 2010” for Italian researchers who received some prizes for their research in 2010.

June 06 – July 01, 2011: Nominated by the Fondazione Cariplo and subsequently selected by the Scientific Review Panel of the Council for the Lindau Nobel Laureate Meetings to participate in the 61th Meeting of Nobel Laureates in Lindau, Germany - dedicated to Physiology and Medicine.

June 17, 2011. Winner of a “Golden Apple” for the XXIII edition of the Marisa Bellisario Prize for young researchers.

September 24, 2009. Honorable mention for the annual prize of the Italian Genetics Association (AGI) for best PhD theses.

May 25, 2009. Winner of one of the 5 fellowships (15,000€ for a post-doctoral fellowship) from the Italian L’OREAL-UNESCO award “for women in science” in 2009.

- **ACADEMIC DUTIES**

2013 – present: Teacher at the University of Pavia in i) Genetics (3CFU), program in Biological Sciences; ii) Laboratory of Conservation Genetics (3CFU), program in Natural Sciences and Biological Sciences; iii) Human Genetics (3CFU), program in Biomedical Engineering; iv) Genomics and DNA Profiling, program in Biotechnology.

2013 – present: Member of the faculty (Collegio Docenti) of the PhD Program in Genetics, Molecular and Cellular Biology of the University of Pavia.

November 01, 2010 – October 31, 2011: Teacher (professore a contratto) for the course of "Conservation Genetics", program in Natural Sciences, University of Milan, for the academic year 2010/11.

- **COMMISSIONS OF TRUST**

September 01, 2013 – today: Member of the Italian Association of Genetics (AGI - Associazione Genetica Italiana).

April 04 – October 15, 2013: Member of the Selection Committee for the evaluation of FIR (Futuro in Ricerca) Projects 2013 (Panel ERC LS – LIFE SCIENCES – 8 – Evolutionary, Population and Environmental Biology).

2011 – present: Referee for international journals: *BBA – Molecular Basis of Disease*, *BMC Evolutionary Biology*, *Brain*, *Scientific Reports*, *the American Journal of Physical Anthropology*, *the Journal of Human Genetics*, and *PLOS ONE*.

- **INDEXES:**

- ORCID: 0000-0002-3941-8098.
- In WOS (ResearcherID: I-9235-2012)
- In SCOPUS (Author ID: 8330210300)
